# WELCOME TO NSBE DFW

National Society of Black Engineers Dallas Fort Worth Professionals Chapter

[www.nsbedfw.org](http://www.nsbedfw.org)

## NSBE MISSION

- ✔ "To increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community."

## DESCRIPTION

- ✔ The acronym "NSBE" represents the National Society of Black Engineers. NSBE is a non-profit, 501(c)(3) organization that exists to promote academic excellence and professional success among minority engineers and other technical professionals. Nationally, NSBE is divided into six (6) regions, which are governed by a national executive board headquartered in Alexandria, Virginia. Founded in 1975, NSBE now boasts over 30,000 collegiate, alumni, and pre-college members nationwide and abroad.

## NSBE TOP PROGRAMS

- ✔ Pathways 2 College Leadership Conference - This event provides mentoring and professional development assistance for students transitioning from high school access to information on how to navigate college, internships, and professional careers in STEM.
- ✔ College 2 Careers - C2C is a yearly workshop event geared towards college entering their careers. We provide students with career enablement talks from keynote speakers, panels for students to ask burning questions, resume critiques, scholarships, and more.
- ✔ Scholarship Gala - During our annual scholarship gala, we honor outstanding STEM professionals in our community and award students with college scholarships.
- ✔ Bridge Program - The Bridge Program connects rising junior and senior college students with mentorship opportunities to help them transition into their professional careers.
- ✔ A Walk for Education - The goal of a Walk for Education (AWE) is to increase awareness of the opportunities available through education particularly in the STEM fields and to shatter myths about African-Americans in math, science, engineering, and other technologies.
